

Virginia Rent and Mortgage Relief Program (RMRP)

Program Description

The Virginia Rent and Mortgage Relief Program (RMRP) is designed to support and ensure housing stability across the commonwealth during the coronavirus pandemic. Depending on availability of funds and household need, the RMRP may provide financial assistance for rent or mortgage payments for eligible households. This includes financial assistance for rent or mortgage payments past due beginning April 1, 2020 and onward. Financial assistance is a one-time payment with opportunity for renewal based on availability of funding and the household's need for additional assistance and continued eligibility.

Eligibility

The RMRP will provide financial assistance on behalf of renters and mortgage holders who meet the following criteria:

- Have a valid lease or mortgage statement in their name or other documentation confirming the landlord-tenant relationship; and
- Have experienced a loss of income due to the Coronavirus pandemic including but not limited to:
 - Those who have been laid off;
 - Those whose place of employment has closed;
 - Those who have experienced a reduction in hours of work;
